Present: VARNEY, BENNETT, NATALIE, MITCHELL, VAN  
WOUDENBERG, RABINOWITZ. Co Captain: HOWARD  
Absent: PRUIKSMA, Co Captain PELEAUX

**Interview:**

BOD was to interview **Mike Jarrett** M.D. and Pam **Aschenbrener**, M.D.  
Due to work schedule only Jerrett could make it.

Jerrett could bring medical experience to the team, but S/O needs to  
approve and look into the legal end of it.

He is interested in joining the ATV team and a willing ground pounder.  
BOD recommends Jarrett to be accepted as a probationary member,  
pending approval from S/O office.

Aschenbrener to be interviewed at next BOD meeting.

**September minutes of the meeting:**

Approved as corrected.

**Grant Meeting, VARNEY**

Varney reported a positive response at the Rural Philanthropy Days held in  
Salida. In particular, the Boetcher Foundation appeared receptive to the  
\$30K grant request.

**Wet Mountain Foundation mailing campaign**

Arrangements need to be made as to who is working on the mailing  
campaign this year. Rabinowitz may not be available in which case Mitchell  
and Bennett have offered to help.

Howard suggested mailing to save on postage, she is to look into some  
possibilities. Dates for stuffing and mailing envelopes have not been set  
aside yet.

**Old Business:**

ATV... Paul Rose has contacted Richard Lowe , between the two of them  
they hope to resolve the issue of the ATV/wheel with the distributor.

**Other:**

Rabinowitz reported on the ground pounder training held in September. 8 members showed up and COX was commended for doing a great job with the litter training. The morning was a well run and very informative training.

**Jeep Wrangler** has done only 300 miles, Bennett suggested SAR member(s) take out this vehicle in order to get more mileage on it.

**Financials and Budget Planning**

Bennett discussed current financials and briefly went over budget. Budget will be discussed in more detail at next meeting.

Meeting adjourned at 17.30 hours
